Cemetery.—An important notice appears elsewhere from the memorial Association. Look to your interests, procure lots at once, and let us have order, neatness, and beauty in our burial ground.

Revival.—An interesting revival has been going on for several days at Martha Washington College, Abingdon. Eleven young ladies have been converted.

Emory and Henry.—We are glad to learn that Emory and Henry College promises to have a fine attendance, there being 167 students now present and more are expected.

Sent On.—Ewing and Seals, the two men arrested at Union, Tenn., charged with aiding and procuring abortion, were both sent on for trial. Ewing was bailed in the sum of \$1,000, and Seals sent to jail. Miss Acres was placed under guard, and default of \$5,000 bail, will go to jail as soon as well enough.

Thanks.—The editors of the Nashville Union and American will accept our thanks for back numbers of their paper to complete our files. They publish one of the finest papers in the South. See their prospectus elsewhere.

Literary Pastime.—This weekly has reached its eighth number and promises to be a success. It is well printed, neatly gotten up, and filled with original and well selected matter. We think the Pastime worthy of patronage, and hope to see it take the place which the New York Ledger once occupied in the hearts of the ladies. It is a Southern enterprise. Price 25 per year. Specimens may be seen at our office.

Circus.—John Robinson's great combination Circus and Menagerie is coming, as will be seen elsewhere. This show has been exhibiting in Middle Tennessee for some weeks past, and from the accounts given by our exchanges is the best one that has traversed the country for several years.

Yanks.—Eight hundred Yankees passed west on Wednesday. They are to be scattered over Tennessee to compel Brownlow to keep the peace. The detachment was under command of Gen. Buell.

Depot at Abingdon.—The depot at Abingdon is to be a bone of contention yet a little while longer. On Wednesday last a bill was filed by Messrs. N. K. White, George R. Dunn, Daniel J. Ayers, George R. Barr, and Aston & Honaker, on behalf of themselves and the citizens of Abingdon, claiming a contract with the Va. & Tenn. Railroad Company for the rebuilding of the depot at a point nearly opposite the court-house building, and asking the president and directors be compelled to comply with its stipulations, and claiming that they, on the part of said citizens, have already complied with its stipulations. The bill further asks, that on a final hearing of the cause, the said company be perpetually enjoined from delivering freight or passengers at the old location. In the meantime the depot is being rapidly rebuilt at the site of the former one and will soon be completed.

New Courthouse at Abingdon.—The October court will be held in the new Court house at Abingdon, which is said to be the finest structure of the kind in Virginia.

It will be remembered that the old building was burned by Stoneman and raiders in sixty-four.

Court.—The third Quarterly Court for Washington county was held at Abingdon this week. Geo. Duncan, a youth about 20 years of age, and Wm. Field McGrady, his uncle, who was probably 35 years of age, were tried for stealing two horses from John Ferguson on the 16th of August last. They were arrested in Grayson county, where they had formerly lived. McGrady looked much more capable of evil than poor Duncan, his nephew, who was probably his eat-paw, and who was sent to the State prison for five years, while in McGrady's case the jury was equally divided and it goes over.

Landon Dixon, mulatto, was tried for assaulting with intent to kill Frank Campbell, negro. He was found guilty and his term in the penitentiary fixed at one year. A new trial was granted. The public felt rather outraged at the continuance again of the entire civil docket by the Court, who were sent to the State prison for five years, while in McGrady's case the jury was equally divided and it goes over.

waiting all the week, and finally went home, to be dragged back again, and, perhaps, again, to the tune of several dollars per day in the way of expenses. We hope to ventilate this matter next week, and will take particular pleasure in doing it.

The Concert.—The young ladies will give their grand concert for the benefit of the Presbyterian church, in that building, on Tuesday night next. They have made every preparation to give a treat that will be alike creditable to themselves and pleasing to their audience. Prof. Frank, of Lynchburg, has promised to be present and assist them, also several ladies from a distance. We want to see the house full. Come out and bring your friends. Don't say that I do not approve of concerts. There is no dodging the question in that way. If you can come or do not approve of concerts, then send them fifty cents — That will make the matter all right.

The following notice was left on our table by one of our citizens:

The good people of our community are to have a grand concert Tuesday night, such as is not often enjoyed. The musical entertainment at the Presbyterian church promises to be of the highest order.

Prof. Frank, of Lynchburg, is to be present and take part in the exercises. Miss H. W. Winsom, whose voice is one wonder of the day, to sing. Miss W. has been compared to Jenny Lind. Her voice has certainly most wonderful compass and richness. We hope our friends will not miss this rich treat.

MARRIED.
